Explain or Justify:

## Quotes

This page provides more space for you to write down the quotes that you plan to use in the essay.  
Copy quotes exactly as they appear in the original text, including punctuation.  
Don't forget to include the page number.

|                            | Page # | Quote that I plan to use in my essay |
|----------------------------|--------|--------------------------------------|
| #1                         |        |                                      |
| What does the quote prove? |        |                                      |
| #2                         |        |                                      |
| What does the quote prove? |        |                                      |
| #3                         |        |                                      |
| What does the quote prove? |        |                                      |
| #4                         |        |                                      |
| What does the quote prove? |        |                                      |
| #5                         |        |                                      |
| What does the quote prove? |        |                                      |
| #6                         |        |                                      |
| What does the quote prove? |        |                                      |
